## DIRECTIONS FOR USE

To be used only in the manufacture of an insecticide which is registered under the Pest Control Products Act.

EVERCIDE Intermediate 2449 is to be used at the rate of 30.00% (WT.) with approved solvents and carriers to produce an insecticide for use on pets.

Formulators who use this product may be responsible for providing data to support their own registrations with the appropriate regulatory agencies.

Warm to room temperature. Mix well in drum before sampling and each use.

**PRECAUTIONS:** KEEP OUT OF REACH OF UNAUTHORIZED PERSONNEL Harmful if swallowed. Contains petroleum distillate. Avoid breathing vapors or spray mist. Use with adequate ventilation. Avoid contact with skin or eyes. Wear goggles, suitable chemically-resistant gloves and long-sleeved coveralls when handling this product. Wash with soap and warm water after use. Avoid contamination of food or feedstuffs. This product is toxic to fish. Do not apply directly to any body of water by cleaning of equipment or disposal of wastes. Do not use or store near heat or open flame.

**FIRST AID:** IF ON SKIN, remove with soap and warm water. Remove contaminated clothing immediately and wash separately from other laundry before re-use. If irritation develops or persists, contact a physician. IN CASE OF CONTACT WITH EYES, flush with plenty of water for 15 minutes and contact a physician. IF SWALLOWED, contact a physician or contact a Poison Control Centre immediately. DO NOT induce vomiting because of aspiration hazard. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention

**TOXICOLOGICAL INFORMATION:** Treat symptomatically.

**DECONTAMINATION & DISPOSAL:** Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and cleanup of spills, contact the provincial regulatory agency or the manufacturer.

**STORAGE:** Keep in original container during storage. Store product in cool, dry, well ventilated place away from seed, fertilizer, or other pesticides. Keep away from fire or open flame, or other source of heat.

**NOTICE TO USER:** This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
