Notification Change

GUARANTEE: Potassium salts of fatty acids 17%

DIRECTIONS FOR USE:

Greenhouse Use (on Ornamental, tomatoes, peppers and cucumbers). May be used against Two Spotted Spider Mites, Aphids, Greenhouse Whitefly, Sweetpotato whitefly, mealybugs, earwigs.

Outdoor Use (Ornamentals, trees, shrubs, flowers, fruits and vegetables). May be used against Two Spotted Spider Mite, Aphids, Whitefly, Sweetpotato whitefly, mealybugs, earwigs, soft brown scale, rose and pear slugs (sawfly larvae), elm leaf miner.

Mix with water one part concentrate to 17 parts of water. **Shake well before use.** Spray thoroughly both sides of the foliage and stems. The insects must be covered with spray. Safety to all varieties of ornamental plants has not been determined. Test spray on a few plants before using on the whole crop. Spray once every two weeks, or as needed, based on monitoring of pest populations.

USE PRECAUTIONS: When treating a plant cultivar for the first time, spot treat a portion of the cultivar, and wait at least 24 hours to see if any phytotoxic symptoms develop, before treating an entire group of plants.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. May cause irritation to skin and eyes. Avoid contact with skin or eyes. Wash hands and face after handling of the product.

FIRST AID: In case of contact, rinse thoroughly with water. Contact a physician if irritation persists. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat patients symptomatically.

STORAGE: Shall not be kept with food stuff. Keep out of freezing temperatures.

DISPOSAL:

Do not reuse this container for any purpose. This is a recyclable container, and is to be disposed of at a container collection site. Contact your local distributor/dealer or municipality for the location of the nearest collection site. Before taking the container to the collection site:

1. Triple – or pressure-rinse the empty container. Add the rinsings to the spray mixture in the tank.
2. Make the empty, rinsed container unsuitable for further use.

If there is no collection site in your area, dispose of the container in accordance with provincial requirements.

For information on disposal of unused, unwanted products, contact the manufacturer or provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the PEST CONTROL PRODUCTS ACT to use a control product under unsafe conditions.
