NOW, LONG LASTING PROTECTION WITHOUT AN UNPLEASANT SCENT. Cutter's unique formula is not greasy, won't stain and has no unpleasant odour. This aerosol spray allows you to hold the can and spray at any angle...even upside down...to cover ankles, legs, even your back.

DIRECTIONS FOR USE: Repels mosquitoes, black flies, deer flies, stable flies, biting midges, ticks and chiggers. SHAKE WELL BEFORE USING. Hold container 15-20 cm away, apply sparingly, to skin and clothing (except synthetics) not under clothing and only when necessary. Reapply after 6 hours if necessary. **TO APPLY TO FACE:** Spray hands and apply avoiding eyes and mouth. Wash hands, after application. Do not spray in enclosed spaces. Will not damage nylon, cotton or wool. Avoid contact with plastic, watch crystals and synthetic fabrics such as acetate, rayon and dynel. May damage leather, furniture finishes, plastics and painted surfaces.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. DO NOT USE ON CHILDREN UNDER 12 YEARS OF AGE. Avoid contact with eyes and mouth, cuts, wounds and sunburned skin. Do not inhale spray mist. Do not puncture or incinerate. Contents under pressure. Do not place in water or near radiators, stoves or other sources of heat, or store at temperatures over 50°C. DO NOT USE IN THE PRESENCE OF AN OPEN FLAME OR SPARK. Do not contaminate food or utensils.

FIRST AID: **If in eyes,** Remove contact lenses, and flush with water for 15 minutes. **If inhaled,** Give artificial respiration if indicated. Seek medical attention. If irritation or other adverse effects develop wash with soap and water immediately. Seek medical attention, if symptoms persist. **If swallowed,** seek medical attention or contact a poison control centre IMMEDIATELY. Always take container label with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL: When container is empty, press button to release all pressure, then discard in household garbage. Do not puncture or incinerate.
