Harrison, N.J. U.S.A. 07029

Made and printed in U.S.A.

FOR AQUARIUM USE ONLY

Directions: To remove tablet, slit cellophane. Start with clean clear tank. If water in tank is more than 3 days old, empty tank and clean it well. Place one tablet in tank for each 19 litres of water. Tablet will slowly disintegrate and will continue to stop the growth of algae in your aquarium for thirty days. Replace with new tablet once monthly.
