DIRECTIONS FOR USE: TO BE USED ONLY WHEN PROTECTION FROM SUNBURN, MOSQUITOES AND BLACK FLIES IS REQUIRED (NOT TO USED SOLELY AS A SUNBLOCK). Apply a thin uniform film to exposed skin areas avoiding eyes and mouth. Do not use under clothing. Repeat as needed only if exposure to biting flies continues. Frequent reapplication and saturation is unnecessary for effectiveness. Avoid overexposure. Wipe hands after use. After returning indoors, wash treated skin with soap and water.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. DO NOT USE ON INFANTS OR TODDLERS. Harmful if swallowed. Avoid contact with eyes or mouth. May cause eye injury. Do not apply over cuts, wounds or sunburned or irritated skin. Use of this product may cause skin reactions in rare cases. Avoid contact with plastics, acetate, and spandex.

FIRST AID: In case of eye contact, flush with water and get medical attention. If you suspect a skin reaction to this product, wash treated skin and get medical attention. If swallowed, contact a physician or Poison Control Centre immediately.

DISPOSAL: Do not reuse empty container. Wrap empty container and discard in household garbage.
