EXTREMELY FLAMMABLE

EXPLOSIVE

READ THE LABEL BEFORE USING

CCL INDUSTRIES INC.  
105 Gordon Baker Road  
Willowdale, Ontario  
M2H 3P8

DIRECTIONS: Remove pets, birds and fish bowls. Open cabinets and doors to areas to be treated. Shut off fans and air conditioners. Put out all flames and pilot lights. Do not spray near or over furniture, plastic, painted or varnished surface.

Equipment or furniture should be covered. Close doors and windows. Point valve opening away from face and eyes when releasing. Use one can for each 100 cubic meters of unobstructed area.

For best results, first spray into cracks and crevices and then stand in centre of area to be treated. Direct mist upward in sweeping motions to all parts of the room, especially towards windows and other light surfaces where insects are present. Insects must be contacted to be killed. Keep spray at least 1 m from interior walls, fabrics and furniture. Leave area at once and keep closed for 2 hours before airing out. When finished, open all windows and doors and ventilate for 30 minutes. Repeat spraying in two weeks or when necessary. This product will kill exposed insects only and has no residual activity.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Do not use in presence of open flame or spark. CONTENTS UNDER PRESSURE. Container may explode if heated. Do not expose to temperature above 50 degrees C. Do not puncture or incinerate. Harmful if swallowed. Avoid breathing of vapour. Avoid contact with skin or eyes. Do not remain in treated areas. Food should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before use. Do not spray on plastic, painted or varnished surfaces or directly into electronic equipment such as radios, TVs, computers, etc.

STORAGE: Keep product in cool and dry place, away from open flames and heat sources.

DISPOSAL: When container is empty, press valve to release all remaining pressure then dispose in regular garbage. Do not puncture or incinerate.

FIRST AID: In case of contact with eyes or skin, flush with water. If irritation persists, seek medical attention. Contains petroleum distillate. If accidentally swallowed, do not induce vomiting and seek medical attention or call Poison Control Centre at once.
