MADE IN U.S.A.

22 g

DIRECTIONS: When threatened by a dog place finger on actuator tab. Point nozzle directly towards dog's face. Depress actuator tab for a burst of spray to a maximum range of 2 meters. Move away to avoid exposure to spray.

PRECAUTION: Contents under pressure. Container may explode if heated. Do not place in hot water or near radiators, stoves or other sources of heat. Do not puncture container or store at

temperatures over 50 deg C. Avoid contact with skin and eyes.

DISPOSAL: Do not incinerate. Reduce pressure to zero prior to disposal in regular household garbage.

FIRST AID INSTRUCTIONS: In case of external contact flush thoroughly with water. Do not rub. Symptoms disappear in 45 minutes. If symptoms persist, call a physician immediately.

NOTICE TO USER: This product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
