DIRECTIONS FOR USE:

For animal treatment only. Beaphar Insecticidal Powder kills fleas on dogs and cats. Dust a little powder on the fur of the animal in such a manner that the powder does not contact eyes or mouth. Rub the powder carefully into the fur. Do not apply to nursing mothers or to puppies and kittens under 8 weeks of age. Wash hands with soap and water after use.

Beaphar Insecticidal Powder may also be used on animal bedding or in animal sleeping quarters. Lightly dust infested areas and then ventilate.

Precautions: KEEP OUT OF REACH OF CHILDREN. Avoid inhaling dust. No other pesticide should be used with the powder. Do not contaminate food, utensils or food handling areas. Dispose of

used container with household garbage.

First aid: If in eyes, rinse with water. If irritation persists, contact a physician. If swallowed, give 1 or 2 glasses of water and induce vomiting. Contact a physician immediately.
