DIRECTIONS FOR USE

Plant Products Turf Fungicide prevents the infestation of common turf diseases such as Dollar Spot and Brown Patch, if sprayed at regular weekly intervals throughout the summer season.

Plant Products Turf Fungicide will control Dollar Spot and Brown Patch when applied at a higher dosage to turf already infested with these diseases.

Dollar Spot and Brown Patch: use 90 g Plant Products Turf Fungicide per 100 m<sup>2</sup> at 7 day intervals throughout the warm season.

Gray Snow Mold (Typhula) and Pink Snow Mold (Fusarium nivale): use 250 g of Plant Products Turf Fungicide per 100 m<sup>2</sup> late in the fall prior to snow fall.

Amount of Water: use the amount of water necessary to obtain uniform coverage which will be approximately 25-50 litres per 100 m<sup>2</sup>. The actual amount is not critical and will vary with the type of sprayer used.

#### PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN. Avoid breathing dust or spray mist. Avoid contact with eyes, skin or clothing; for eyes get medical attention; wash after handling and before eating or smoking. Because of possible unpleasant side effects, alcoholic beverages should be avoided for 24 hours before or after working with Thiram 80WP. Thiram is toxic to fish; prevent any contamination of ponds or streams; do not feed or graze treated grass or clippings to livestock.

#### FIRST AID

In case of skin contact, wash with soap and water. If in eyes, flush with plenty of water and get medical attention or contact a Poison Control Centre. If swallowed, induce vomiting by giving 1 to 2 glasses of warm water and touching back of throat with finger.

#### TOXICOLOGICAL INFORMATION:

If reaction with alcohol occurs treat as disulfiram-alcohol reaction. Alcohol intake within 24 hours of contact with Thiram may cause flushing, sweating, headaches and nausea.

#### DISPOSAL

Follow provincial instructions for any required additional cleaning of the container prior to its disposal. Make the empty container unsuitable for further use. Dispose of the container in accordance with provincial requirements. For information on the disposal of unused, unwanted product and the cleanup of spills contact the Provincial Regulatory Agency or the Manufacturer.

#### NOTICE TO USER

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
