DIRECTIONS FOR USE

To be used only in the manufacture of insecticides which are registered under the *Pest Control Products Act*. This product is to be used with appropriate solvents and or carriers, and in the case of pressurized products, propellents, to produce an insecticide product.

Mix well in drum before sampling and each use.

PRECAUTIONS: PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Harmful if swallowed. Contains a petroleum distillate. Do not induce vomiting because of aspiration pneumonia hazard. Avoid breathing vapours or spray mist. Avoid contact with skin or eyes. In case of contact, flush with plenty of water. Wash with soap and warm water after use. Obtain medical attention if irritation persists. Avoid contamination of food or feedstuffs. This product is toxic to fish. Do not apply directly to any body of water by cleaning of equipment or disposal of wastes.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists. Wash contaminated clothing with warm water and soap before reuse. If swallowed, do not induce vomiting because of aspiration pneumonia hazard. Contains a petroleum distillate. Call a physician or poison control centre immediately. Take the container label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL AND DECONTAMINATION: Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and cleanup of spills, contact the provincial regulatory agency or the manufacturer.

STORAGE: Keep in original container during storage. Store product in cool, dry, well-ventilated place away from seed, fertilizer, or other pesticides. Keep away from fire or open flame, or other source of heat.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
