PRECAUTIONS

Keep away from heat, open flame or other sources of heat. Store in tightly closed, original container in a cool, dry area away from feed, seeds or foodstuffs. Do not breathe vapour. Do not get in eyes, on skin or on clothing. Do not take internally. Use with adequate ventilation. Wear protective clothing and gloves. Wash thoroughly with soap and water and before eating, drinking or using tobacco. Remove contaminated clothing and wash before reuse. Keep container closed. When heated to decomposition, product emits toxic fumes. Ground and bond container and receiving equipment before transferring material. For industrial use only by

trained personnel. Not for sale or use by the general public.

FIRST AID

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

Eye Contact: Immediately wash with a gentle stream of water or a 5% solution of sodium bicarbonate for 15 minutes. Get medical attention, or contact a poison control centre. Treat with ophthalmic hydrocortisone ointment for 10-15 minutes, frequently lifting upper and lower eyelids.

Skin Contact: If on skin, flush with plenty of water for 15 minutes while removing contaminated clothing and shoes. Get medical attention, or contact a poison control centre.

Ingestion: If swallowed, do NOT induce vomiting. Give one or two glasses of water and get medical attention or contact a Poison Control Centre.

Inhalation: If inhaled, remove patient to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention or contact a poison control centre.

TOXICOLOGICAL INFORMATION

Medical Personnel should contact Aventis' Medical Information Services, Toll-Free: 1-800-334-7577. Empty stomach contents by gastric lavage. No known antidote. Treatment of intoxication should be symptomatic and supportive.

DISPOSAL AND DECONTAMINATION: Empty container is hazardous.

Keep away from heat, open flames or other sources of heat.

Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal and provincial regulations. For information on the disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

DIRECTIONS FOR USE

To be used only in the manufacture, formulation or repackaging

of a pest control product registered under the Pest Control Products Act. Read Technical Bulletin for formulation details.

NOTICE TO USER

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

NOTICE TO BUYER

Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
