TOMLYN'S DAILY PROTECTION Flea, Tick and Lice Spray is designed to be used daily, providing effective 24 hour protection. TOMLYN'S DAILY PROTECTION is a non-sticky water base spray utilizing natural organic pyrethrins.

DIRECTIONS: SHAKE WELL BEFORE USING. Hold can in upright position 25-30 cm from cat. Spray cat evenly beginning at the tail and moving forward covering the animal's entire body, paying special attention to neck and hindquarters. While spraying, fluff the feline's hair so spray will penetrate to the skin where most pests reside. Protect animal's eyes from spray. For best results spray TICKS thoroughly. Use daily as needed. Hair should be lightly damp but not saturated.

PRECAUTIONS: Keep Out of Reach of Children. Do not spray in eyes, or face or on scrotum of pet. Discontinue use if dermal or nasal irritation develops. Do not use on animals under six weeks of age. Do not use near fish, feed or foodstuffs. Avoid inhalation of spray. Wash hands after use.

DISPOSAL:

Dispose of empty container with household garbage.

FIRST AID: If sprayed in your eyes or on your skin, flush with clean water. If irritation persists, obtain medical attention. If accidentally swallowed, obtain medical attention at once.
