

Evaluation Report for Category B, Subcategory 3.13 Application

Application Number: 2017-8200
Application: Changes to Product Labels - Precautions
Product: Blossom Protect
Registration Number: 30552
Active ingredients (a.i.): *Aureobasidium pullulans* DSM 14940 and DSM 14941
PMRA Document Number: 2908970

Purpose of Application

The purpose of this application was to amend the storage stability statement on the product label for the end-use product Blossom Protect.

Chemistry Assessment

The results of the storage stability study submitted by the applicant support the proposed amended storage statement on the label.

Health, Environmental and Value Assessments

Health, environmental and value assessments were not required for this application.

Conclusion

The Pest Management Regulatory Agency has completed a review of the submitted information and has found it sufficient to amend the product label for Blossom Protect.
