

Evaluation Report for Category B Subcategory 1 Application

Application Number: 2018-6582
Application: B.1.1: New Source Same Registrant
Product: Mycostop Biofungicide Technical
Registration Number: 26264
Active ingredients (a.i.): *Streptomyces griseoviridis* strain K61
PMRA Document Number: 2957054

Purpose of Application

The purpose of this application was to register a new manufacturing site for Mycostop Biofungicide Technical.

Chemistry Assessment

The results of the potency estimation analysis and microbial contamination analysis provided by the applicant support the new manufacturing site of Mycostop Biofungicide Technical.

Health, Environmental and Value Assessments

Health, environmental and value assessments were not required for this application.

Conclusion

The PMRA has reviewed the information provided in support of the manufacturing site for Mycostop Biofungicide Technical. Based on the results of this review, the manufacturing site for Mycostop Biofungicide Technical is acceptable.
