

Importation for Manufacturing and Exportation (IMEP) Evaluation Report for Category D.1.0 IMEP Application

Application Number: 2020-1432
Application: Importation for Manufacturing and Exportation Program (IMEP)
Product: Metsulfuron Methyl 75XP MUP
Registration Number: 33824
Active ingredients (a.i.): Methsulfuron-methyl
PMRA Document Number : 3128325

Purpose of Application

The purpose of this submission was to register a new manufacturing concentrate (MA), Metsulfuron Methyl 75XP MUP, containing a registered source of the active ingredient metsulfuron-methyl under the Importation for Manufacturing and Export Program (IMEP).

Chemistry Assessment

Metsulfuron Methyl 75XP MUP is formulated as wettable granules containing metsulfuron-methyl at a concentration of 75%. This end-use product has a density of 0.54-0.74 g/mL and pH of 4.53-6.53. The required chemistry data for Metsulfuron Methyl 75XP MUP have been provided, reviewed and found to be acceptable.

Health Assessments

Metsulfuron Methyl 75XP MUP is of low acute oral, dermal and inhalation toxicity. It is not irritating to the eyes and minimally irritating to the skin. It is not a skin sensitizer.

Exposure assessment was not required for this application.

Environmental and Value Assessments

Environmental and Value assessments were not required for this application.

Conclusion

The Pest Management Regulatory Agency has completed an assessment of the information provided and has found the information sufficient to support registration of Metsulfuron Methyl 75XP MUP.
