

## **Importation for Manufacturing and Exportation (IMEP) Evaluation Report for Category D.1.0 IMEP Application**

**Application Number:** 2020-1330  
**Application:** Importation for Manufacturing and Exportation Program (IMEP)  
**Product:** Terro® Ant Killer MUP  
**Registration Number:** 33813  
**Active ingredients (a.i.):** Borax  
**PMRA Document Number :** 3127903

### **Purpose of Application**

The purpose of this submission was to register a new manufacturing concentrate, Terro® Ant Killer MUP, containing the registered active ingredient borax under the Importation for Manufacturing and Export Program (IMEP).

### **Chemistry Assessment**

Terro® Ant Killer MUP is formulated as a solution containing borax at 5.4%. This product has a density of 1.3 g/mL and pH of 7.75. The chemistry requirements for this product have been fulfilled.

### **Health, Environmental and Value Assessment**

Health, Environmental and Value assessments were not required for this application.

### **Conclusion**

The Pest Management Regulatory Agency has completed an assessment of the information provided and has found the information sufficient to support registration Terro® Ant Killer MUP as an IMEP product.
