

Evaluation Report for Category B.4.1 Application

Application Number: 2011-0449
Application: Conversion to full registration without consultation
Product: Converge Flexx Herbicide
Registration Number: 29071
Active ingredients (a.i.): Isoxaflutole [IXF]
PMRA Document Number: 2165261

Purpose of Application

The purpose of this application was to convert the conditional registration of this product to full registration.

Chemistry Assessment

Converge Flexx Herbicide is formulated as a suspension containing isoxaflutole at a nominal concentration of 240 g/L. This end-use product has a specific gravity of 1.203 and pH of 5.4. The chemistry requirements for Converge Flexx Herbicide are complete.

Health, Environmental and Value Assessments

No health, environmental or value assessments were required for this application.

Conclusion

The Pest Management Regulatory Agency has completed an assessment of information available in support of Converge Flexx Herbicide and has found the information sufficient to support full registration.
