

## Evaluation Report for Category B, Subcategory B.4.6 Application

**Application Number:** 2016-1806  
**Application:** Conversion to fulfill conditions of registration on a product with full registration  
**Product:** Zampro Fungicide  
**Registration Number:** 30321  
**Active ingredients (a.i.):** ametoctradin and dimethomorph  
**PMRA Document Number:** 2655221

### Background

Full registration was granted to Zampro Fungicide in 2012 for the control or suppression of various diseases on brassica leafy vegetables, bulb vegetables, cucurbit vegetables, fruiting vegetables, grapes, hops, leafy vegetables and potatoes.

### Purpose of Application

The purpose of this application was to address outstanding conditions related the value of aerial applications of Zampro Fungicide on various crops. The conditions were initially set out at the time of full registration.

### Chemistry, Health and Environmental Assessments

Chemistry, health and environmental assessments were not required for this submission.

### Value Assessment

Efficacy data was provided in order to satisfy conditions for full registration of aerial applications of Zampro Fungicide. The applicant submitted data from three trials demonstrating equivalent efficacy between ground applications and simulated aerial applications of the following disease/crop group combinations: late blight on potatoes, downy mildew on bulb vegetables and downy mildew on cucurbit vegetables.

### Conclusion

The PMRA has completed an assessment of the available information and has determined that the conditions for full registration of Zampro Fungicide have been fulfilled.
