

Evaluation Report for Category B, Subcategory 1.1 Application

Application Number: 2015-6976
Application: Changes TGAI - New site / same registrant
Product: *Metarhizium anisopliae* Strain F52
Registration Number: 29146
Active ingredient (a.i.): *Metarhizium anisopliae* (Strain F52)
PMRA Document Number: 2701909

Purpose of Application

The purpose of this application was to register a new manufacturing location for the technical grade active ingredient *Metarhizium anisopliae* Strain F52.

Chemistry Assessment

Sufficient batch analysis data for microbial contamination analysis and potency estimation were submitted to support the registration of the new manufacturing location for *Metarhizium anisopliae* strain F52.

Health, Environmental and Value Assessments

Health, environmental and value assessments were not required for this application.

Conclusion

The Pest Management Regulatory Agency has completed an assessment of the information submitted, and has found the information sufficient to support the registration of the new manufacturing location for the technical grade active ingredient *Metarhizium anisopliae* Strain F52.
