

Evaluation Report for Category B, Subcategory 4.6 Application

Application Number: 2023-0010
Application: Application to fulfill registration requirements
Product: Cloransulam-methyl Technical Herbicide
Registration Number: 26696
Active ingredient (a.i.): Cloransulam-methyl
PMRA Document Number: 3543909

Purpose of Application

The purpose of this application was to fulfill the post-market requirement for commercial-scale batch data for Cloransulam-methyl Technical Herbicide, as outlined in the Section 12 Notice issued under application number 2019-7093.

Chemistry Assessment

The requirements of registration for this product included the provision of commercial-scale batch data. Data to fulfill this requirement have now been provided, reviewed and found to be acceptable. As such, the chemistry requirements for Cloransulam-methyl Technical Herbicide have been fulfilled.

Health, Environmental and Value Assessments

Health, environmental and value assessments were not required for this application.

Conclusion

The Pest Management Regulatory Agency has completed an assessment of the information provided, and has found the information acceptable to fulfill the post-market requirement for Cloransulam-methyl Technical Herbicide.
