

Section 12 Notice

Additional Information Required to Fulfill a Condition of Registration

Product Name: Bioprotec Lawn Herbicide Concentrate
Registration Number: 30881
Application Number: 2018-3884
PMRA #: 3127835

During the registration period which has been granted to **December 31, 2021**, the following information is to be generated and must be provided to the Pest Management Regulatory Agency by **September 1, 2021** and should indicate the DACO numbers specified. A partial response to the outlined Terms and Conditions will not be accepted.

Part M2 **PRODUCT CHEMISTRY**

DACO: M2.9.2
Title: Potency Estimation and Product Guarantee

Details: The submission of representative potency data from 5 production-scale batches of Bioprotec Lawn Herbicide Concentrate is required upon manufacture, prior to sale in Canada.

DACO: M2.11
Title: Storage Stability Studies

Details: The submission of storage stability studies, demonstrating maintenance of certified limits of the active ingredients under the storage conditions indicated on the label, for 5 production-scale batches of Bioprotec Lawn Herbicide Concentrate is required upon manufacture, prior to sale in Canada. This study should be conducted so as to support specific label claims e.g. 12 month study to support 12 month stability claim on label.
