

## Section 12 Notice      **Additional Information Required to Fulfill the Terms and Conditions for Conditional Registration**

***Product Name:***                    *Amitraz Technical (Insecticide)*  
***Registration Number:***        *23485*  
***Application Number:***        *2010-3276*  
***PMRA #:***                            *2205795*

The re-evaluation of amitraz identified data deficiencies for the technical grade active ingredient. The current major new use for the amitraz TGAI is subject to the previously identified data requirements. As such, the same data deficiencies are outlined below.

During the conditional registration period which has been granted to December 31, 2013, the following information is to be generated and must be provided to the Pest Management Regulatory Agency by **September 1, 2013** and should indicate the DACO numbers specified. A partial response to the outlined Terms and Conditions will not be accepted.

### Part 4                    TOXICOLOGY

---

- DACO:                    4.5.1  
Title:                    Multigeneration reproductive toxicity  
Details:                A multigeneration reproductive toxicity study is required. In lieu of the required data, a data waiver with a scientific rationale and/or published literature information may be submitted.
- DACO:                    4.5.3  
Title:                    Non-rodent developmental toxicity  
Details:                A non-rodent developmental toxicity study is required. In lieu of the required data, a data waiver with a scientific rationale and/or published literature information may be submitted.
- DACO:                    4.5.12  
Title:                    Acute neurotoxicity  
Details:                An acute neurotoxicity study is required. In lieu of the required data, a data waiver with a scientific rationale and/or published literature information may be submitted.

DACO: 4.5.13  
Title: 90-day neurotoxicity  
Details: A 90-day neurotoxicity study is required. In lieu of the required data, a data waiver with a scientific rationale and/or published literature information may be submitted.

DACO: 4.5.14  
Title: Developmental neurotoxicity  
Details: A developmental neurotoxicity study is required. In lieu of the required data, a data waiver with a scientific rationale and/or published literature information may be submitted.
