

Evaluation Report for Category B, Subcategory 4.6 Application

Application Number: 2014-3672
Application: Conversion to fulfill requirements of registration on a product with full registration
Product: Axial Xtreme Herbicide
Registration Number: 30391
Active ingredients (a.i.): Pinoxaden [PRN] & Fluroxypyr (present as 1-methylheptyl ester) [FLR]
PMRA Document Number: 2535301

Purpose of Application

The purpose of this submission is to address the outstanding requirements of registration outlined in the decision letter of the original submission for registration Sub. No. 2010-5855.

Chemistry Assessment

The requirements of registration for this product included the provision of corrosion characteristics and storage stability studies. Data to fulfill these requirements were provided, reviewed and found to be acceptable. As such, the chemistry requirements for Axial Xtreme Herbicide have been fulfilled.

Health, Environmental and Value Assessments

Health, environmental and value assessments were not required for this application.

Conclusion

The Pest Management Regulatory Agency has completed an assessment of the information provided in support of the product, Axial Xtreme Herbicide, and has found the information sufficient to address the requirements associated with the full registration of this product.
