

## Evaluation Report for Category B, Subcategory 4.6 Application

**Application Number:** 2015-4505  
**Application:** B.4.6 - Address to Fulfill conditions of registration on a product with full registration  
**Product:** Priaxor  
**Registration Number:** 30567  
**Active ingredients (a.i.):** Fluxapyroxad + Pyraclostrobin  
**PMRA Document Number:** 2684977

### Purpose of Application

The purpose of this application was to satisfy the outstanding data requirements for Priaxor. The outstanding data requirements were a long-term storage stability data.

### Chemistry Assessment

The conditions of registration for this product included the provision of a storage stability study. Data to fulfill this condition were provided, reviewed and found to be acceptable. As such, the chemistry requirements for Priaxor have been fulfilled.

### Health, Environmental and Value Assessments

Health, environmental and value assessments were not required for this application.

### Conclusion

The PMRA has conducted a review of the information provided in support of this application. Based on the results of this review, the data requirements have been satisfied.
