

Evaluation Report for Category B, Subcategory 2.5 Application

Application Number: 2017-7058
Application: B.2.5: Change Formulation Type
Product: Mite Away Quick Strips
Registration Number: 30324
Active ingredients (a.i.): Formic acid
PMRA Document Number : 2873021

Purpose of Application

The purpose of this application was to change the immediate packaging of the end use product, Mite Away Quick Strips, to a different type of laminated film.

Chemistry Assessment

The formulation of the Mite Away Quick Strips end-use product is unchanged. The new packaging is a suitable replacement for the current packaging.

Health, Environmental and Value Assessment

Health, environmental and value assessment were not required for this application.

Conclusion

The PMRA has reviewed the information provided in support of the change in packaging for Mite Away Quick Strips. Based on the results of this review, the change in packaging is acceptable.
