

Evaluation Report for Category B, Subcategory 3.13 Application

Application Number: 2016-6972
Application: Changes to Product Labels – Precautions
Product: Bioprotec ECO
Registration Number: 27251
Active ingredient (a.i.): *Bacillus thuringiensis* ssp. *kurstaki* (Btk) strain EVB113-19
PMRA Document Number: 2747367

Purpose of Application

The purpose of this application was to amend the end-use product Bioprotec ECO, to extend the storage stability of the product from the current 12 months to 18 months.

Chemistry Assessment

Data and information were submitted to change the storage stability label statement on Bioprotec ECO. The data and information supported the change from 12 months to 18 months. No additional information or data are required.

Health, Environmental and Value Assessments

Health, environmental and value assessments were not required for this application.

Conclusion

The Pest Management Regulatory Agency has completed an assessment of the information provided and has determined that the amendment to the storage stability for Bioprotec ECO can be supported.
