## Registration Decision Statement<sup>1</sup> for Indaziflam

Health Canada's Pest Management Regulatory Agency (PMRA), under the authority of the *Pest Control Products Act* and Regulations, is granting full registration for the sale and use of Indaziflam Technical Herbicide, Specticle Flo (formerly known as Specticle SC) and Specticle G, containing the technical grade active ingredient indaziflam, to control or suppress annual grasses and broadleaf weeds in field grown and container grown ornamentals.

This decision is consistent with the Proposed Registration Decision *PRD2017-09, Indaziflam*, which contains a detailed evaluation of the information submitted in support of this registration. The evaluation found that, under the approved conditions of use, the products have value and do not present an unacceptable risk to human health or the environment. The PMRA received no comments on *PRD2017-09, Indaziflam*.

### Other Information

The relevant test data on which the decision is based (as referenced in *PRD2017-09, Indaziflam*) are available for public inspection, upon application, in the PMRA's Reading Room (located in Ottawa). For more information, please contact the PMRA's Pest Management Information Service by phone (1-800-267-6315) or by e-mail ([pmra.infoserv@hc-sc.gc.ca](mailto:pmra.infoserv@hc-sc.gc.ca)).
