

Evaluation Report for Category B, Subcategory 4.6 Application

Application Number: 2021-3097
Application: Application to fulfill conditions of registration
Product: Vitavax Technical
Registration Number: 18722
Active ingredient (a.i.): Carbathiin
PMRA Document Number : 3374638

Purpose of Application

The purpose of this application was to address the conditions of registration for Vitavax Technical for commercial batch data.

Chemistry Assessment

The requirements of registration for this product included the provision of commercial-scale batch data. Data to fulfill this requirement have now been provided, reviewed and found to be acceptable. As such, the chemistry requirements for Vitavax Technical have been fulfilled.

Health, Environmental and Value Assessments

Health, environmental and value assessments were not required for this application.

Conclusion

The Pest Management Regulatory Agency has completed an assessment of the information provided and found the information sufficient to fulfill the conditions of registration for Vitavax Technical.
