

Section 12 Notice

Additional Information Required to Fulfill the Terms and Conditions for Conditional Registration

Product Name: QUADRIS FLOWABLE FUNGICIDE

Registration Number: 26153

Application Number: 2006-7461

PMRA #: 1441953

During the conditional registration period which has been granted to December 31, 2008, the following information is to be generated and must be provided to the Pest Management Regulatory Agency by **December 1, 2007**, and must indicate the DACO numbers specified. A partial response to the outlined Terms and Conditions will not be accepted.

As mentioned in the letter dated February 4, 2005 (Aucoin to Tocheva) for submission 2003-0056, the outstanding data requirements for canola use have been addressed and the PMRA can support the full registration of Quadris Flowable Fungicide for canola use only. The non-canola uses can only be supported for conditional registration, referencing the following outstanding data requirements.

In addition, please note that Quadris Flowable Fungicide must remain conditional so long as the Technical Grade Active Ingredient, Azoxystrobin Technical (Reg. No. 26152) and any related end-use products remain conditional.
