

Section 12 Notice Additional Information Required to Fulfill the Terms and Conditions for Conditional Registration

Product Name: Hercon Disrupt Micro-Flake VBN

Registration Number: 29520

Application Number: 2007-2176

PMRA #: 1837958

During the conditional registration period which has been granted to **December 31, 2011**, the following information is to be generated and must be provided to the Pest Management Regulatory Agency by **September 30, 2010** and should indicate the DACO numbers specified. A partial response to the outlined Terms and Conditions will not be accepted.

PART 8 ENVIRONMENTAL CHEMISTRY AND FATE

DACO: 8.1
Title: Environmental Chemistry and Fate

Details: The applicant must submit the fate study reports or scientific literature cited in the environmental and behaviour waiver request.

PART 9 ENVIRONMENTAL TOXICOLOGY

DACO: 9.6.4
Title: Environmental Toxicology

Details: The applicant must conduct a feeding study with the end-use product in the laboratory to determine if birds would consume the micro-flakes presented as food. Observations on the toxicity or other sublethal effects of the EP on the bird must also be reported. If the results indicate the micro-flakes are consumed by the test birds, then a limited scale monitoring study conducted under conditions of operational use in a SBW control program may be required.
