

Evaluation Report for Category B, Subcategory 4.6 Application

Application Number: 2017-1998
Application: Submission to fulfill requirements of registration on a product with full registration
Product: Mandestrobin Technical
Registration Number: 32285
Active ingredient (a.i.): Mandestrobin
PMRA Document Number: 2821890

Purpose of Application

The purpose of this application was to fulfill the outstanding chemistry data requirements for commercial scale batch data for the technical product, Mandestrobin Technical. As a result of changes in product specifications based on the commercial batch data, the guarantee is being updated.

Chemistry Assessment

The conditions of registration for this product included commercial scale batch data. Data to fulfill these conditions were provided, reviewed and found to be acceptable. As such, the chemistry requirements for Mandestrobin Technical have been fulfilled.

Health, Environmental and Value Assessments

Health, environmental and value assessments were not required for this application.

Conclusion

The Pest Management Regulatory Agency has completed an assessment of the information provided for Mandestrobin Technical and has determined it sufficient to fulfill the outstanding chemistry data requirement.
