

Evaluation Report for Category B, Subcategory 3.10 Application

Application Number: 2023-0913
Application: New or Changes to the Product Label – Tank Mixes
Product: Bonzi Plant Growth Regulator
Registration Number: 25453
Active ingredient (a.i.): 4 g/L paclobutrazol
PMRA Document Number: 3461741

Background

Bonzi Plant Growth Regulator (Reg. No. 25453; registrant Syngenta Canada Inc.) is suspension plant growth regulator containing 4 g/L paclobutrazol.

Purpose of Application

The purpose of the subject application is to add the general tank mixing statement to the product label.

Chemistry, Health and Environmental Assessment

Chemistry, health, and environmental assessments were not required as there was no change to product chemistry, product formulation, or use pattern.

Value Assessment

A thorough review of the label determined that the addition of the general tank mixing statement is acceptable as it is consistent with the requirements in the PMRA Guidance Document – Tank Mix Labelling (March 16, 2023).

The inclusion of the general tank mixing statement on the label allows growers greater flexibility to use tank mixtures of convenience in labelled crops including pest control products, supplements and or fertilizers. Flexibility in the utilization of tank mixtures may contribute to cost- and time-savings by the user.

Conclusion

The Pest Management Regulatory Agency has completed an assessment of the subject application and has found the inclusion of the general tank mixing statement to be acceptable on the product label.
