

## Evaluation Report for Category B, Subcategory 3.11 Application

**Application Number:** 2009-4479  
**Application:** New or Changes to Product Labels-New Pests  
**Product:** AC 299, 263 120 AS Herbicide  
**Registration Number:** 26705  
**Active ingredients (a.i.):** Imazamox [IMZ]  
**PMRA Document Number :** 1887794

### Purpose of Application

The purpose of this application was to amend the AC 299, 263 120 AS Herbicide label (Reg. No. 26705), to include three additional pest claims (cow cockle, green smartweed and shepherd's purse) for control in imazamox-tolerant wheat.

### Chemistry, Health, Environmental Assessment

Chemistry, health and environmental assessments were not required for this application

### Value Assessment

No new data were provided with this application. Efficacy data from a previous application (1995-0331) were cited by the applicant to support the proposed label amendment. A review of historical submissions and current registrations for imazamox-related products was conducted. Based on this review, amending the registration of AC 299, 263 120 AS Herbicide to include cow cockle, green smartweed and shepherd's purse for control in imazamox-tolerant wheat at 20 g a.e./ha can be supported from an efficacy perspective.

### Conclusion

The PMRA has conducted a review of the available data for this application and has determined that the amendment to the label to include three new pests (cow cockle, green smartweed and shepherd's purse) is acceptable.
