

## Evaluation Report for Category B, Subcategory 4.1 Application

**Application Number:** 2016-2051  
**Application:** Conversion to full registration without consultation  
**Product:** Velum Prime  
**Registration Number:** 32108  
**Active ingredients (a.i.):** Fluopyram and trifloxystrobin  
**PMRA Document Number** 2650224

### Background

Velum Prime was granted conditional registration on January 8, 2016, based on the conditional registration status of the associated technical grade active ingredient Fluopyram (Reg. No. 30508).

### Purpose of Application

As the associated technical grade active ingredient Fluopyram has been granted full registration on April 20<sup>th</sup> 2016, the purpose of this application was to convert Velum Prime from conditional to full registration.

### Chemistry, Health, Environmental and Value Assessments

No data were required or reviewed for Velum Prime as the conditional registration status was based on the registration status of the associated technical Fluopyram.

### Conclusion

The Pest Management Regulatory Agency is able to support the conversion to full registration for Velum Prime.
