

Evaluation Report for Category B, Subcategory 3.13 Application

Application Number: 2016-1441
Application: Changes to Product Label – Precautions
Product: BLUSH Plant Growth Regulator Solution
Registration Number: 32167
Active ingredient (a.i.): Prohydrojasmon
PMRA Document Number: 2696577

Purpose of Application

The purpose of this application was to amend the label to include hazard and precautionary statements regarding dermal sensitization of the end-use product, BLUSH Plant Growth Regulator Solution.

Health Assessments

Exposure assessments were not required for this application.

BLUSH Plant Growth Regulator Solution is of low acute toxicity by the oral, dermal, and inhalation routes, is minimally irritating to the skin, moderately irritating to the eyes, and is a dermal sensitizer.

Chemistry, Environmental and Value Assessments

Chemistry, environmental and value assessments were not required for this application.

Conclusion

The Pest Management Regulatory Agency has completed an assessment of the information provided and has determined that the amendment to the BLUSH Plant Growth Regulator Solution label to include hazard and precautionary statements regarding dermal sensitization can be supported.
