

Evaluation Report for Category B, Subcategory 4.6 Application

Application Number: 2018-1295
Application: B.4.6: Fulfill Requirement for Registration
Product: balEnce ES-Beetle
Registration Number: 30545
Active ingredients (a.i.): *Beauveria bassiana* strain HF23
PMRA Document Number: 2998501

Purpose of Application

The purpose of this application was to address the requirement for registration and to extend the storage interval of the end-use product. The requirement for registration pertained to potency data for balEnce ES-Beetle.

Chemistry Assessment

Data were provided to support the potency of balEnce ES-Beetle and to extend the storage interval of the end-use product.

The potency data provided adequately supports the product guarantee of balEnce ES-Beetle.

Sufficient data were submitted to support extension of the storage period for balEnce ES-Beetle to 2 years when the product is stored at or below 27°C.

Health, Environmental and Value Assessment

Health, environmental and value assessments were not required for this application.

Conclusion

The PMRA has reviewed the information provided in support of this application. Based on this review, the requirement for registration has been satisfied and the storage interval to 2 years is acceptable.
