

## Evaluation Report for Category B, Subcategory 4.6 Application

**Application Number:** 2018-3726  
**Application:** Conversion to fulfill the requirements of registration on a product with full registration  
**Product:** Avian Migrate for Agriculture and Turf Bird Repellent  
**Registration Number:** 30189  
**Active ingredient (a.i.):** Methyl anthranilate  
**PMRA Document Number :** 3010831

### Purpose of Application

The purpose of this application was to address the outstanding chemistry requirements of Avian Migrate for Agriculture and Turf Bird Repellent (previously called Rejex-It Migrate for Agriculture and Turf Bird Repellent).

### Chemistry Assessment

The requirements of registration for this product included the provision of corrosion characteristics and storage stability studies. Data to fulfill these requirements were provided, reviewed and found to be acceptable. As such, the chemistry requirements for Avian Migrate for Agriculture and Turf Bird Repellent have been fulfilled.

### Health, Value and Environmental Assessments

Health, value and environmental assessments were not required for this application.

### Conclusion

The Pest Management Regulatory Agency has completed an assessment of the information provided, and has found the information sufficient to address the outstanding chemistry requirements of Avian Migrate for Agriculture and Turf Bird Repellent.
