

Evaluation Report for Category B, Subcategory 1.3 Application

Application Number: 2019-0199
Application: Changes to product specifications
Product: Boundary LQD Herbicide
Registration Number: 30812
Active ingredients (a.i.): S-Metolachlor and R-enantiomer,
Metribuzin
PMRA Document Number: 3036697

Purpose of Application

The purpose of this application was to allow for packaging of the product in metal containers and to amend the product specification include an alternate manufacturing sites.

Chemistry Assessment

Boundary LQD Herbicide end-use product is unchanged. The proposed new packaging is a suitable addition to the current packaging.

Health, Environmental and Value assessments

Health, environmental and value assessments were not required for this application.

Conclusion

The Pest Management Regulatory Agency has completed an assessment of the information provided, and has found the information sufficient to allow for metal containers and additional manufacturing sites.
