

Section 12 Notice

Additional Information Required as a Post-Market Requirement

Product Name: Cloransulam-Methyl Technical Herbicide
Registration Number: 26696
Application Number: 2019-7093
PMRA #: 3191519

During the registration period which has been granted to December 31, 2026, the following information is to be generated and must be provided to the Pest Management Regulatory Agency by September 30, 2022 and should indicate the DACO numbers specified. A partial response to the outlined data requirements will not be accepted.

DACO: 2.13.3
Title: Batch Data

Post-market Requirement:

Since this technical product is manufactured only at pilot scale before registration, five-batch data representing commercial-scale production are required as post-market information after registration. The batch data must include impurities of concern. This study must be submitted by September 30, 2022.
