HRC® LIQUID SYSTEMIC FUNGICIDE

LIQUID

COMMERCIAL

HRC Liquid Systemic Fungicide is a liquid formulation specially designed for control of carnation rust (*Uromyces dianthi*).
It can be used in conjunction with a regular watering and fertilizing program. HRC Liquid Systemic Fungicide is particularly recommended for use during the major rust problem months.

DIRECTIONS FOR USE:

For the control of carnation rust in greenhouses. Use at a dosage of 20 parts per million (ppm), schedule of 12.5L/square meter of soil applied every 10 days.

For example, a 20ppm watering solution of HRC Liquid Systemic Fungicide may be prepared by adding 8L of HRC Liquid Systemic Fungicide to 100L of water applied and further diluted through a 1:200 injector. Other types of fertilizer injectors may be used where adjustments are made to apply the correct amount of chemical per square meter. A watering system used for regular watering and fertilizing is suitable for the application. Under severe rust conditions a 40ppm dosage may be used.

PRECAUTIONS:

Do re-enter or allow re-entry into treated areas until 12 hours after application.

HRC LIQUID SYSTEMIC FUNGICIDE. IS TO BE USED ON CARNATIONS IN GREENHOUSES ONLY. DO NOT PLANT FOOD CROPS IN SOIL THAT HAS BEEN TREATED WITH HRC LIQUID SYSTEMIC FUNGICIDE.

SAFETY PRECAUTIONS:

1. **KEEP OUT OF REACH OF CHILDREN.**
2. Store in a cool, dry, ventilated place away from feeds and foods.
3. Keep away from heat, fire and sparks.
4. Avoid contact with skin, eyes and clothing.
5. Wash thoroughly after handling and before eating, drinking or smoking.
6. Wash contaminated clothing with soap and hot water before reusing.
7. Avoid breathing spray mist.
8. **DO NOT** contaminate food or feed.
9. **DO NOT** contaminate any body of water.

FIRST AID:

IF SWALLOWED: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

Take container label or product name and Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Treat symptomatically.

STORAGE AND DISPOSAL:

STORAGE:

Store product in original container only, away from other pesticides, fertilizer, food or feed. Keep container closed.

DISPOSAL:

1. Triple- or pressure-rinse the empty container. Add the rinsings to the spray mixture in the tank.
2. Follow provincial instruction for any required additional cleaning of the container prior to its disposal.
3. Make the empty container unsuitable for further use.
4. Dispose of the container in accordance with provincial requirements.
5. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offense under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
