CAUSES SEVERE BURNS OF EYES. EYE CONTACT MAY CAUSE LOSS OF VISION. MAY BURN SKIN. MAY BE HARMFUL OR FATAL IF SWALLOWED. Do not get in eyes, on skin, or on clothing. Chemical worker's goggles must be worn when handling. Wear a long-sleeved shirt, long pants and shoes plus socks, chemical-resistant gloves, chemical-resistant apron and a full-face NIOSH - approved respirator when handling. Wash thoroughly after handling. Avoid breathing dust. Use with adequate ventilation.

FIRST AID

In case of eye contact: Hold eye open and rinse slowly and gently with water for 30 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. In case of skin contact: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. If swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DO NOT SHIP OR STORE WITH FOOD, FEEDS, DRUGS, OR CLOTHING

ENVIRONMENTAL HAZARDS

This product is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or public waters. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority.

NOTE: ADD SOLUTIONS OF DBNPA SEPARATELY TO THE SYSTEM. DO NOT MIX THEM WITH OTHER ADDITIVES, IN ORDER TO AVOID DECOMPOSITION OF DBNPA 100 POWDER DUE TO THE HIGH pH OF MANY ADDITIVE FORMULATIONS.

DIRECTIONS FOR USE

To be used only in the manufacture of products registered under the Pest Control Products Act.

Because of their properties and intended uses, formulated products containing AQUICAR™ DB 100 MUP Water Treatment Microbiocide may require precautionary labeling different from that given.

Formulators should develop their own use and precautionary labeling, based on the properties and intended uses of their finished formulations, and in accordance with all pertinent laws and regulations.

Formulators are responsible for registering their formulations under the Pest Control Products Act.

STORAGE

Do not contaminate water, food or feed by storage or disposal. To maintain product quality, store in a cool, dark place at temperatures below 35 C (95F). Keep container tightly closed when not in use.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

DISPOSAL

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For additional details and information on clean up of spills, contact the provincial regulatory agency or the manufacturer.
