EMERGENCY RESPONSE TELEPHONE NUMBER 1-800-424-9300 (24 HOURS)

DIRECTIONS FOR USE:

To be used only in the manufacture of a herbicide which is registered under the *PEST CONTROL PRODUCTS ACT*.

PRECAUTIONS:

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Harmful if swallowed. Wear protective goggles and gloves when handling. Wash hands and exposed skin thoroughly after handling.

FIRST AID:

If Swallowed: Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you, when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Symptoms of overexposure to MCPA could include slurred speech, twitching, jerking and spasms, drooling, low-blood pressure and unconsciousness. Treat symptomatically.

STORAGE:

Keep in original container during storage. Store product in a cool dry, well-ventilated place away from seed, feed, fertilizer or other pesticides. Keep away from fire or open flame or other source of heat.

DISPOSAL/DECONTAMINATION

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations.

For information on disposal of unused, unwanted product, contact the manufacturer and the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill and for clean up of spills.

SPILLAGE CLEAN-UP:

Keep bystanders away. Do not smoke, drink or eat during cleanup operations. Wear protective equipment (coveralls, rubber boots, and protective gloves). Absorb the liquid onto soil, sawdust or other suitable absorbent material and shovel into a drum, add broken packages to the drum and seal for removal to an approved disposal site. Remove and wash all protective clothing and equipment. Shower and wash thoroughly with soap and water on completion of mopping up operation. For details on spill cleaning refer to "Disposal".

NOTICE TO USER:

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
