## **DIRECTIONS FOR USE:**

To be used only in the manufacture of a pesticide which is registered under the Pest Control Products Act.

FORMULATION ASSISTANCE: Additional information regarding specific problems in formulation, involving this product, may be obtained by contacting UPL AgroSolutions Canada Inc.

## **PRECAUTIONS**

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.

- May be harmful if swallowed. Do not inhale dust. Avoid contact with skin, eyes, and clothing. Contaminated clothing should be thoroughly washed before reuse.
- Do not contaminate water by cleaning of equipment or disposal of wastes. Do not contaminate water used for irrigation or domestic purposes.
- No food, drink or tobacco in storage areas.
- Store in a cool dry place away from food or feed products. Do not store near fertilizers, seeds, insecticides or fungicides.
- Do not reuse empty container.

## **FIRST AID INSTRUCTIONS:**

**If swallowed:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

**If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

**If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to mouth, if possible. Call a poison control centre or doctor for further treatment advice.

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

## **TOXICOLOGICAL INFORMATION**

Low toxicity to man or animals. Mild skin and eye irritant. Treat symptomatically.

## **STORAGE:**

Store in original container.

## **PROCEDURES FOR HANDLING SPILLS OR CONTAINER BREAKAGE**

Cleanup personnel should wear protective equipment. Avoid creating dust. Vacuum or sweep small spills using an inert sweeping compound to reduce dust formation. Shovel into container for disposal. For large spills contact UPL AgroSolutions Canada Inc. using the 24 Hour Emergency Phone Number.
