PRECAUTIONS

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL

- Wear chemical-resistant gloves, long pants, a long-sleeved shirt and shoes when handling this product.
- Do not contaminate with moisture, organic matter, or any other chemicals. Strong oxidizing agent. May cause fire or explosion if contaminated.
- Dangerous gases formed when mixed with acid.
- Do not get in eyes, on skin or on clothing.
- Harmful or fatal if swallowed.
- Avoid breathing dust.

FIRST AID

- If swallowed – Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
- If on skin or clothing – Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
- If inhaled – Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.
- If in eyes – Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.
- Take container, label, or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Treats symptomatically.

STORAGE

Keep in original container during storage. Keep the container closed and store in a cool, dry, well ventilated place away from seed, fertilizer or other pesticides. Keep away from fire or open flame, or other sources of heat.

DISPOSAL

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulation. For additional details and for the cleanup of spills, contact the provincial regulatory agency or the manufacturer.

DIRECTIONS FOR USE

For use only in repacking or reformulating products registered under the Pest Control Products Act.
