**DIRECTIONS FOR USE:** To be used only in the manufacture of a fungicide which is registered under the Pest Control Products Act. Subsequent formulators are responsible for providing documentation to support the Pest Control Products Act.

**FIRST AID:**

**If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

**If in Eyes:** Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

**If Swallowed:** Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

**If Inhaled:** Move person to fresh air. **PRECAUTIONS: PREVENT ACCESS BY UNAUTHORIZED PERSONNEL.** Wear protective gloves and face shield when handling. Remove any contaminated clothing immediately. Wash hands and exposed skin thoroughly after handling.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Iprodione is a non-hazardous chemical. Ingestion of large quantities of Iprodione can cause loss of reflexes, muscular hypotonia, abnormal sedation and a lack of muscle coordination.

**ENVIRONMENTAL HAZARDS:** TOXIC to aquatic organisms.

**PRECAUTIONS: PREVENT UNAUTHORIZED PEOPLE FROM REACHING ACCESS.** Wear protective gloves and a mask to handle the product. Take off contaminated clothing immediately. Wash hands and exposed skin thoroughly after handling.

DO NOT discharge effluent containing this product into sewer systems, lakes, streams, ponds, estuaries, oceans or other waters.

**STORAGE:** Do not store at temperatures below 0°C.

**SPILLAGE CLEAN-UP:** Keep bystanders away. Do not smoke, drink or eat during clean-up operations. Wear protective equipment (respirator, coveralls, rubber boots and protective gloves), and sweep up all product and shovel into a drum. Cover remaining spill with absorbent sweeping compound to prevent dust. Add broken

packages to the drum and seal for removal to an approved disposal site. Wash spill site with water and mop up into a drum for disposal to an approved disposal site. Remove and wash all protective clothing and equipment. Shower and wash thoroughly with soap and water on completion of mopping up operation. For details on spill cleaning contact the provincial regulatory agency and the manufacturer.

**DECONTAMINATION AND DISPOSAL:** Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label.
