mouth to an unconscious person. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

ENVIRONMENTAL HAZARDS: Toxic to aquatic organisms.

DISPOSAL: Do not re-use empty container. Wrap and dispose of empty container with household garbage. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

DIRECTIONS FOR USE: For best distribution dilute Sun-Maker Algae 400 in a pail of water and pour around pool. Vacuum to remove dead algae.

1. Initial dosage for pool water having no visible algae is 100 mL of Sun-Maker Algae 400 per 10,000 L of pool water.
2. Weekly maintenance dosage is 35 mL of Sun-Maker Algae 400 per 10,000 L of pool water.
3. For pool water having visible algae, superchlorinate following label instructions of superchlorination product employed and wait for at least 24 hours before adding weekly maintenance dosage.
4. For visible algae, when superchlorination is not employed, add 150 mL of Sun-Maker Algae 400 per 10,000 L of pool water.
