**FOR COCKROACHES, CRICKETS, CENTIPEDES, SPIDERS, EARWIGS,:** Thoroughly treat cracks and crevices, baseboards, underneath chairs, tables, kitchen shelves, cupboards, sinks, refrigerators, around your garbage containers and other places where insects habitate.

**FOR ANTS:** Treat ant trails, around door sills and window frames and other places where ants may enter. Apply directly to ant hills.

**DIRECTIONS:** Hold container approximately 30 cm from surface being sprayed and spray until wet. Thorough applications produce a coating which will vapourize into cracks and crevices for insect control. If reinfestations occur, repeat applications as necessary. Provide adequate ventilation after indoor use. **KEEP PETS AND CHILDREN AWAY FROM SURFACE UNTIL DRY.**

**PRECAUTIONS** KEEP OUT OF REACH OF CHILDREN. Contents under pressure. Do not place in hot water or near radiators, stoves or other sources of heat, or store at temperatures over 50°C. Do not spray near open flame or spark. Harmful if swallowed, inhaled or absorbed through skin. Avoid contact with eyes, skin, or clothing. **DO NOT USE ON HUMANS, PLANTS, ANIMALS, FOODSTUFF, FOOD UTENSILS, FISHBOWLS OR ANIMAL FEED AREAS. DO NOT USE AS SPACE SPRAY.**

**FIRST AID :** If swallowed, call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. In case of contact with the skin, take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice. If in eyes, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Propoxur is a mild cholinesterase inhibitor. Atropine is antidotal. Contains volatile petroleum distillate.

**DISPOSAL:** When container is empty, press button to release all pressure, then dispose in household garbage. Do not puncture or incinerate.
