Label side panel (English version) Sevin

DIRECTIONS FOR USE:

Poultry houses, farm buildings:

For Northern Fowl mite, fleas and bed bugs: Apply 1.25 kg of powder per 10 square metres. Use a scoop to scatter by hand or apply by a hand duster.

Hand application to chicken and domestic birds:

For Northern Fowl mite, chicken mites, lice and fleas and fowl ticks: Use 500 g of powder per 100 birds by means of a shaker can, squeeze bottle or hand duster. Direct dust to vent and fluff areas. Repeat in 4 weeks if necessary.

Hand application to birds for chicken mites and fleas is a supplement to litter treatment for control of these pests. Allow 7 days between application to poultry and premises and bird's slaughter.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN AND ANIMALS: Avoid contamination of feeding and watering troughs. Avoid contamination of feedstuffs. Do not breathe dust. Do not take internally. Avoid unnecessary contact. Wash hands before eating.

FIRST AID: If swallowed, call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. If in eyes, hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Carbaryl is a moderate reversible cholinesterase inhibitor. Atropine is the antidote.

DISPOSAL: 1- Triple or pressure-rinse the empty container. Add the rinsings to the spray mixture in the tank. 2- Follow provincial instruction for any required additional cleaning of the container prior to its disposal. 3- Make the empty container unsuitable for further use. 4-Dispose of the container in accordance with provincial requirements. 5- For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for the clean-up of spills.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the Pest Control Products Act to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

STORAGE CONDITIONS: Store in a dry place.
