**TOUGH on INSECTS
MILD on your PLANTS.**

DIRECTIONS FOR USE: Insects Controlled: aphids, mealybugs, spider mites, brown soft scale and whiteflies.

Spraying: Spray plants in an area where this water-based product will not harm walls, drapes, furniture, etc. Hold container upright 30 cm from plant. Apply to thoroughly cover upper and lower leaf surfaces.

Timing: Repeat weekly until control is observed.

NOT recommended on Ferns, Nasturtiums and Sweet Peas. If in doubt about any delicate plant, such as **roses, seedlings and transplants**, apply to several leaves as a pretest. Allow sufficient time to determine if plant damage occurs before spraying the entire plant. Do not spray open blooms. Do not apply during full sun or high heat.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Avoid contact with skin and eyes.

FIRST AID: If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. **If on skin or clothing,** take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. **If swallowed,** call a poison control centre or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. Take container, label or product name and P.C.P. Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

DISPOSAL: Do not reuse empty container. Recycle empty container.

**For additional product information or in case of emergency, spills or fire, call toll-free 1-800-268-2806.
