**DIRECTIONS:** Wilson® Earwig and Cutworm Destroyer is in easy-to-use granular form to be used directly from this container to make bait stations. Wilson® Earwig and Cutworm Destroyer contains ingredients to attract earwigs, sowbugs, crickets, cutworms, sap beetles, wood roaches and millipedes. Place 10 g to 20 g (one or two tablespoonfuls) of product in mounds in covered bait stations around building foundations, under porches and shrubbery, or throughout vegetable, fruit or flower gardens wherever earwigs or other listed insects are seen. Cover with a flat stone, board or weighted foil plate to improve the attractiveness of the bait station and to protect its contents from pets and children. For best results, set out bait stations in the evening and moisten bait slightly. Baits are effective for up to ten days.

**PRECAUTIONS:** KEEP OUT OF REACH OF CHILDREN AND PETS. Hazardous if swallowed, inhaled or absorbed through the skin. Wash hands thoroughly after use with soap and water. Do not contaminate feed, food, ponds or streams.

**FIRST AID: If in eyes,** hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice. **If on skin or clothing,** take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. **If swallowed,** call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Carbaryl is a cholinesterase inhibitor. Atropine is antidotal.

**DISPOSAL:** Do not reuse empty container. Wrap empty container and discard in household garbage.
